

## 07-1988 [O-4201] Saitek - Sensory Backgammon

Saitek geeft het jaar 1987, maar in Duitsland werd deze computer in 1988 geïntroduceerd.

Europa-Rochade, März 1988, Hans-Peter Ketterling: ... Von Saitek kommen zwei weitere Spielcomputer. **Sensory Backgammon** mißt 36 mal 27 mal 2,5 cm und verfügt über ein Drucksensorbrett und ein kleines LC-Display. Sieben Spielstufen und Batteriebetrieb bis 200 Stunden mit einem Batteriesatz garantieren zusammen mit der hohen Spielstärke einen interessanten Backgammon-Partner, den man für DM 398,00 bekommen kann ...
